

GRAPHTEC TECHNICAL BULLETIN 308

Date:	August 3, 2009
Category:	FC8000 Series Cutting Plotters

New Firmware Update Notes

We would like to inform the firmware update notes for the FC8000.

The firmware file and the firmware release notes will be uploaded on the distributor page of Graphtec website.

The file for the firmware is uploaded to our FTP server for your urgent requirement until we will upload to the web.

Address: <ftp://graphteccorp.com>

Log-in user: graphtec1

Folder: New Firmwares/FC8000

Firmware file: FC8000v200.zip

Firmware release notes: FC8000 FRN200.pdf

Please see the firmware release notes document for the details of the update.
